Term 4 No Hat– No Play

Kia Ora Tatou Term 4

Welcome back to Term Four. This is always a busy term and this year it is only 9 weeks. We will be working hard to achieve our learning goals, assess learning, write reports and think ahead to 2019. Each teacher will have release days for assessment and we will have our regular relief teachers working in the team.

Athletics

We will be learning sprinting, middle distance, long jump, vortex throwing skills this term. We will practise these skills on Tuesday, Wednesday and Friday. It would be beneficial for girls to wear bike shorts under their culottes for this.

Our school Athletics Day will be held on 14th November and we would encourage you to come and support your child's effort. More details will be in the school newsletter.

Mufti/ Wheels Day

Wheels for this day are scooters, skates or skateboards. (No bikes)

This is for Foodbank and you may send a can of food to school.

Key Competency

Our key competency is Thinking.

Virtue

Perseverance– Sticking to a task, staying committed no matter how long it takes.

A good example is the story of the tortoise and the hare. Even though the tortoise was slower he won because he persevered. He didn't let anything stop or distract him. He kept on going.

Inquiry learning

Each class will be led by the interests of the learners.

Library Day

Room 11/12/13
Thursday
Rm 14 Friday

To maximize your child's learning opportunities and achievement we appreciate your support. It is important for you to reinforce and practise current learning at home.

Each night your child has reading e.g readers,

poetry, library and interest books to read. If your child is tired or unable to read at night, read these to them and help them to read in the morning when they are fresh.

Word Power is available on Seesaw or in your child's Homework

notebook.

Practice maths facts, doubles and family of facts.
